

## DATA SHEET

### HS P2000 Vibra Headset Intensify your gaming experience with true-life vibration

Issue April 2009

Pages 2

Perfect for gaming - the vibration headset HS P2000 Vibra! This headset features the latest Electro-Magnetic Vibration gaming surround technology and it enables all the gamers to sense all the in-game audio effect and music bass all the time.

With the convenient interface of the microphone extension cable, you could enjoy the vibration experience without the mic-jack dangling around. Also the easy Plug & Play design makes you addicted to the vibration experience with any gaming device - PC, NB, PSP and NDS - in one second.

#### Design

- Circular design ensures superior isolation, perfect for loud environments
- Most portable design of 30 mm driver
- Rotating earpieces for easy one-ear monitoring
- Foldable headband and light-weight design for maximum comfort
- Changeable covers in three colors included:
  - metallic red
  - piano black
  - moon white
- Including small bag for keeping and transportation

#### Experience and convenience

- Electro-magnetic vibration technology (True-to-life vibration experience)
- De-noise & high-sensitivity microphone
- Convenient microphone extension cable
- Handy wired control
- Easy Plug & Play
