

VNB100

Ultra-portable NetBook

All the power, half the size

ViewSonic's VNB100 NetBook offers all the power you need for your mobile computing needs with a 1.6GHz Intel® Atom® processor, 160GB hard drive and Microsoft® Windows® XP. Integrated Wi-Fi connectivity and 1.3 megapixel webcam keep you connected and productive while you're on the go. Three high-speed USB 2.0 ports provide easy connections for peripherals, while the 3-in-1 card reader allows for easy file transfers. The PCI-Express slot allows you to expand your system to be a mini-TV, a GPS navigation tool and much more. Its sleek yet durable design makes traveling easier. The VNB100 is smart solution for anyone who needs a full-function PC in an ultra-portable package.

> **10.2" display with 1024x600 resolution**

Enjoy working on a 10.2" wide screen from ViewSonic – a Pro on the Visual Domain.

> **Powerful Intel Atom processor**

The Intel Atom 1.6GHz processor with 1GB of memory is really a torque for a road warrior.

> **Versatile connectivity**

Three high-speed USB 2.0 ports provide easy connections for peripherals, while the 3-in-1 card reader allows for easy file transfers.

> **Wired or wireless networking**

RJ-45 network control enables 10/100 Ethernet LAN connection. 802.11b/g Wi-Fi gives you the freedom of Internet access anywhere a Wi-Fi hotspot is available.

> **Multimedia enhanced**

Integrated microphone and 1.3 megapixel webcam make it easy to video conference and the integrated 2 x 1.5-watt speakers complement video conferencing and Internet browsing.
